EXPERIENCE CERTIFICATE & LETTER

This is to certify that Amrita Jadhav was employed with ParshWebCraft as a Security Analyst Intern from 01 June 2026 to 15 July 2026..

During their tenure as a Security Analyst Intern, the employee successfully contributed to various projects, focusing on module upgrades and enhancements to security protocols. They demonstrated proficiency in React and JavaScript, effectively implementing user-friendly interfaces and robust functionality. Additionally, their experience with FastAPI showcased their ability to streamline backend processes and improve system efficiency. Through their proactive approach and technical acumen, they significantly supported the team's objectives and delivered impactful results.

During their tenure with us, we found them to be sincere, hardworking, and a valuable member of our team. We wish them all the best in their future endeavors.
